INSERT A

This bill requires that an adult who 1) hires an individual home care provider other than an agency, county, or independent living center employee or a health care provider; 2) is a resident of a county that agrees to abide by certain requirements or that offers certain programs; and 3) is a recipient of a home care benefit through the Family Care Program, a medical assistance waiver program, a self-directed supports option program, an amendment to the state medical assistance plan, or the Program of All-Inclusive Care for the Elderly, must comply with certain requirements with regard to the hiring of the home care provider. The requirements include hiring only a provider eligible for inclusion on a registry maintained by the Wisconsin Quality Home Care Authority (WQHCA), created in this bill, and compensating providers in accordance with any ^{state} collective bargaining agreement pertaining to home care providers.

The bill creates the WQHCA, which is a public body corporate and politic with a board of directors that is created by state law, but ~~that~~ ^{which} is not a state agency. A majority of members of the board of directors must represent the interests of recipients of home care services. WQHCA is subject to requirements such as state purchasing requirements, lobbying laws, and the code of ethics for public officials. The WQHCA is exempt from state employment requirements, and its employees are excluded from the state retirement system. The bill requires the WQHCA to establish and maintain a registry of providers; provide referrals to individuals seeking home care services; determine the eligibility of providers for placement on the registry; develop a recruitment program for providers; operate a backup provider system with a 24-hour per day call service; conduct activities to improve the supply and quality of home care providers, and perform other tasks.

Insert A-1

This bill provides home care providers collective bargaining rights under state law in a manner similar to that provided state employees under the State Employment Labor Relations Act (SELRA). The collective bargaining unit is structured as one statewide unit and DHS acts as the state employer.

For further information see the *state and local* fiscal estimate, which will be printed as an appendix to this bill.
